

*2023
Ambassadors
of the
Industry*

**HALL
OF FAME**

Nomination Information

Nomination Guidelines

Nominations will close September 29, 2023.

The workers of the aggregates, concrete and cement industries in Pennsylvania have helped to make our state what it is today! The PACA Hall of Fame has been established to recognize their often overlooked service to the industry and our communities that the worker quietly makes. While being nominated is an honor in itself, each year a number are selected to be added to the special rolls of the Hall of Fame. PACA is extremely proud to have inducted 118 outstanding individuals since the Hall of Fame's creation in 2000.

Nominees may be recognized by their companies or peers for significant contributions including, but not necessarily limited to, loyalty to a company through long term employment, leadership, safety, ingenuity, service to the community, service to their country, and/or stewardship to the environment.

To be nominated, the person must have good character, have shown enthusiasm for his or her work, have a good safety and work record, and have been an employee that has added value to his or her country, community company and/or the industry. Nominations are open to employees of producer and associate member companies and should be made by someone from the employee's company or a colleague with the approval of the employee's company to do so.

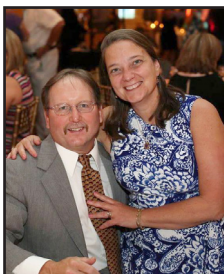

Nominate an outstanding employee today.

Jeff Detwiler
New Enterprise Stone & Lime Co., Inc.
Chair, PACA Board of Directors

Kallie Kline
Pennsylvania Aggregates & Concrete Association
Director of Member Services, Staff Liaison for the Ambassadors of the Industry Hall of Fame Program

Please note: By submitting an entry, entrant takes full responsibility for the accuracy of all information submitted and warrants that all necessary permissions have been secured from other(s) who may have rights to the work. Furthermore, PACA is granted the non-exclusive rights to publish, reproduce and distribute copies of the original entry, including, but not limited to, all photographic and electronic images, sound and video recordings, data and identifying information. Finally, entrant authorizes PACA to use and publish any or all of the entry materials in print and/or electronically.

2022 Inductees – Company Indicated is as of time of induction:

Susan Armstrong
Central Builders
Supply Company

Kurt Hanf
Heidelberg Materials

James Johns
New Enterprise Stone &
Lime Co., Inc.

Loy McElDowney
New Enterprise Stone &
Lime Co., Inc.

Paul Rader
JJ Kennedy, Inc.

**Ambassadors of the Industry
Hall of Fame Nomination Form - DUE DATE: 9/29/23**

2023

To nominate your outstanding employee, please return this form to:

Kallie Kline at kallie@pacaweb.org

Questions? Please contact Kallie at 717.234.2603 or by email.

Please include, along with this nomination form:

- 1. A short description of the nominee's values and accomplishments
- 2. Any supporting material that you deem important to their nomination

Who Can be Nominated?

Nominees may be a co-worker, superior, employee or a peer in the industry - as long as their employer is a member of PACA and the employer has granted permission for the nomination.

What is the Nominating Process?

Upon submittal of the nomination, the application is reviewed and the person submitting the nomination is contacted regarding status. **If the submittal is accepted, the person making the nomination will be asked to submit up to 5 photos of the nominee and to designate which of the five should be printed on the nominee's plaque by NO LATER THAN OCTOBER 27, 2023.**

When and How is the Inductee Honored?

Once the nomination is accepted and the nominee is now a Hall of Fame inductee, there are several methods of recognition for this honor. First, all inductees will be highlighted in an issue of PACA's biweekly e-newsletter, The Conveyor, prior to the Annual Meeting in November. Next, a publication including their photo and description of their accomplishments will be printed and distributed at the Annual Meeting in Hershey.

Their photo and plaque inscription will be printed on a poster or banner up that will be displayed during the Annual Meeting and at PACA's various events and in the PACA headquarters in Harrisburg for one year following the Annual Meeting.

The official induction ceremony takes place during the Honors Program at the Annual Meeting in Hershey. The person who submitted the nomination on the inductee's behalf will be contacted with details including date, time of arrival, etc. Inductees will be invited to the complimentary honors luncheon immediately following the program, along with one guest. If the inductee and/or his/her guest wishes to attend the entire Annual Meeting, regular registration rates apply.

During the induction ceremony, an emcee of the nominator's choice will highlight the inductee and present them with their plaque. A copy of the plaque will also be showcased in PACA's Harrisburg headquarters and a copy will be presented to the emcee for displaying at their company office.

Nomination Information:

Nominee's Name: _____

Nominee's Company: _____

Nominee's Position/Title: _____

NOMINATION SUBMITTED BY:

Name: _____

Company: _____

Position / Title: _____

Phone: _____ **Email:** _____

IF THE NOMINEE IS SELECTED:

Name of Emcee Presenting the Inductee: _____

Name of His/Her Local Paper for Press Release Purposes: _____

Distinguished Inductees
